Directions from South: Take Rte. 22 north past Olivet University in Wingdale and continue past the traffic light at Pleasant Ridge Road for 1.8 miles. Slow down — the left turn for N. Chippawalla Rd is a sharp left onto a gravel road. Follow the road ¼ mile further to the bridge. Park on the side of the road. Coming from North, take Rte. 22 south, past County Rte. 26 on right, N. Chippawalla Road is 0.7 miles further on the right.

Directions from South: Take Rte. 22 north past Olivet University to the traffic light at Pleasant Ridge Road. Make left onto Pleasant Valley Road, go 0.8 mile (you will have crossed over the RR tracks). The dirt road to the Preserve is on the right, make the sharp turn and drive past old house and take the dirt road as it curves past the house and 300 yards to the rear. Stop at the gate and park on the dirt road. Walk beyond the gate into the Preserve. From the North, follow Rte. 22 to Pleasant Ridge Road, make a right onto Pleasant Ridge Road and follow the same directions to the Preserve.

3. DEC Fishing Area Parking Lot Directions from South: Take Rte. 22 north and make a left at the Harlem Valley – Wingdale train station onto Wheeler Road. Cross RR tracks, DEC parking area is on the right. There is a small boat launch path to Swamp River. Good marsh views from there.

4. Pawling Nature Preserve, with access to the Appalachian Trail. From South, take Rte. 22 north, past Trinity Pawling School to the right turn onto Hurd Corners Road. Follow road to left on Quaker Lake Road, then follow Quaker Lake Road past the lake to the parking lot for the trails. From North, travel south on Rte. 22 to Hurd Corners Road, make left onto it then follow rest of directions. Yellow Trail goes up the hill to Appalachian Trail intersection. Great views of the Great Swamp and valley below from the ridgeline. The Preserve can also be accessed via the Orange Trail at the junction of Furlong and Sprague Roads. NOTES: Quaker Lake itself is Private, and be aware that the Preserve is open to hunting October 1 to December 22.

5. Appalachian Trail Crossing of Swamp River on west side of Rte. 22. There is a small parking lot on the west side of Rte. 22. just south of Native Landscaping.
