

COME MEET THE GOATS!

**Visit a FrOGS preserve to see
goats grazing invasive plants.**

Friends of the Great Swamp (FrOGS) has hired a herd of goats to improve the young forest habitat in our Cricket Hill Preserve. This habitat is essential for the survival of the New England cottontail, our only native rabbit, and more than 70 other wildlife species whose populations are declining as this habitat disappears.

August 8th–16th, 2026

10AM – 5PM

Cricket Hill Road, Dover Plains, NY 12522
